Subject:	Re: Meeting Mr. Cai

Dear Mr. Barak,

Thank you very much for your mail and all the related arrangements!

I am afraid that it may be not convenient for Mr. Cai to read in English.
We will certainly forward the message to Mr. Cai, and confirm with you later as soon as possible.

And, is it possible to ask you for a favor?
We have not got our visas yet. Could you please kindly say a word to the Embassy of Israel in Shanghai tommorrow morning your time? We just would like to have the guarantee, and would like to make the preparation in advance that anything in case happens.

The name is listed in the attached invitation letters.

Many thanks again!

Yours Sincerely,

Yun Jiang
